

SPECIFICATIONS

Style 785 strapping tape is a natural color polyester film backed tape, reinforced with continuous fiberglass yarn filaments. It has a very aggressive rubber/resin blend adhesive system. Additionally, the tape provides excellent abrasion, moisture and scuff resistance and also has excellent adhesion to its own backing.

Product Advantages

- Polyester film backing reinforced with continuous glass yard filaments
- Very conformable
- Moisture resistant
- Abrasion resistant
- Reinforcing glass filaments have a tensile strength of 145 lbs/in of tape
